

# NEWS FROM PEACEHAVEN

February 2022

## FROM THE MANAGEMENT COMMITTEE

It was decided at the January Management Committee meeting that the trial of early-evening meetings would start straight away, with the meetings in February, March and April to begin at 5.30 pm. The idea is to make it possible for a broader range of members to attend.

However, Covid has put a spanner in the works once again. Given the current situation, it was judged advisable to cancel the February meetings. All being well, the March meetings will go ahead as planned: committee at 5.30 pm and general meeting straight after.

The next general meeting will provide an opportunity for members to contribute to a discussion of future directions for the Friends of Peacehaven. Put the date in your diary:

**Wednesday 9 March.**

Please do come to the meeting and have your say.

## THEN AND NOW

The Kuhls' dairy shed, which served as headquarters for the Friends until 2019, has now been demolished. We're told the site of the old shed is to become a new picnic area.

## NURSERY NEWS

In this excellent growing season, everything is flourishing in the nursery. Volunteers have been kept busy repotting plants raised in the hothouse from seed and cuttings. The vines are reaching for the sky, the groundcovers and grasses are looking lush, and a range of gums have been growing fast and are now available for sale. And paper daisies are on special!

The nursery has been asked to supply a large number of native plants for landscaping around the new vet surgery on Highfields Road. The plants have been sourced and await collection as soon as the development reaches the appropriate stage.

*Just to the right of the old shed site is a brand new toilet block, almost complete.*

## TAVERN TALK POSTPONED

Sad to say, the Tavern Talk that was planned for February is another casualty of the current Covid wave and has to be postponed.

Watch for updates via email, in the *Herald* and in the next edition of *News from Peacehaven*.

## MUSIC IN THE PARK

Plans are under way for six Music in the Park events during 2022, on Sundays in autumn (March to May) and spring (September to November).

More details to come in next month's *News from Peacehaven*.

## NEXT GENERAL MEETING

The next General Meeting of the Friends of Peacehaven has been postponed to **Wednesday 9 March**.

**Time:** straight after the Management Committee meeting, which will begin at **5.30 pm**.

**Place:** Nursery Shed

All are welcome.
